## **Mr and Mrs Rayner-Friday 30th April 2010**

We live locally, so have known about The Great Hall for some time. When we looked around the venue, we were impressed by the staff and the general ambience, which affirmed our decision to book the venue for our wedding reception. The organisation of our wedding leading up to and on the actual day was excellent. The Great Hall exceeded our expectations and the grounds were ideal. We had 'Twelve' as our chosen caterer for the day as we are regular customers at the restaurant in Thornton. Their service and catering was fantastic. We will definitely be recommending The Great Hall in the future as we were delighted and had a brilliant day. Thank you to everyone, especially Chris.

## **Mr and Mrs Broomhead-Saturday 3rd April 2010**

We loved the overall 'look' of the venue and its gardens and the attention to detail and the design of the hall swayed our decision to book. The staff were fantastic and covered every single detail. 'With a Twist' were our chosen caterers for the day and the catering was excellently presented, cooked and very well organised when served. We chose 'With a Twist' as they were very approachable and friendly and we felt their menu choices were the best. I would definitely recommend The Great Hall as it is an exquisite venue with beautiful surroundings. The staff were always more than happy to help and nothing was ever too much trouble. Simon and I had the most perfect day (helped by the weather!) but we just want to say a massive 'Thank You!' for making it all possible!

We attended a wedding at The Great Hall and the size and appearance of the room really impressed us. We were influenced to book as the staff were so friendly and we loved the fact that we could have our entire day in one place. The grounds provided for beautiful photographs and The Great Hall exceeded our already great expectations. We were very impressed with 'Twelve' who provided the catering and Caroline from 'Twelve' was lovely and extremely competent. Our day was perfect and everything was fantastic. Thank you!

## **Mr and Mrs Wray-Saturday 6th March 2010**

"We found the venue online and once we visited, we thought it was beautiful and just the perfect size for our guest numbers. We were influenced in choosing the venue because of the 'Winter Wonderland' offer and the quality of the staff. The girls were excellent and very thorough, professional and reassuring throughout. The venue was the best we've been to in this country- or are we being biased as it was our wedding?! We chose Heathcotes to cater for our day as we felt most comfortable with them. The bar service was very good, we loved the cocktails.

We had an excellent day and just want to say a huge thank you to everyone, especially Lizzie."

The Great Hall is a unique in the fact that it is just a wedding venue and not a hotel. Therefore, you can get their full-undivided attention on the day and no matter what questions you ask before your big day the girls always have the answer. They are the experts in their field and we trusted them to guide us if they didn't think something would work. The Great Hall runs like a carefully well-oiled machine, which take all the hassle out of organising a wedding. We chose Twelve Event Management to do the catering as we found them easy to work with and flexible. The Hall looked amazing and the room turnaround was seamless. All our guests were blown away by the entire ay and we had a ball. The Great Hall team are amazing and our day was faultless.
